

Vacancy: Executive Director of the Southern California Institute for Research and Education (SCIRE)
Location: Long Beach, California

SCIRE, a non-for-profit foundation, which administers research operations at the Long Beach Veterans Affairs (LBVA), is recruiting for its Executive Director position. The Executive director serves as the Chief Operating Officer for SCIRE and reports to the SCIRE Board of Directors. The Executive Director is charged with fostering sponsored research programs conducted at LBVA while ensuring effective oversight and regulatory compliance and implementing strategic objectives to ensure the viability and thriving of the research programs. The ideal candidate will be an inspiring and highly organized leader who can work collaboratively with VA investigators, other stakeholders and multiple government and private agencies to promote research and ensures the highest standards for integrity, safety and quality. A Bachelor's Degree in Healthcare, Business Administration or related field as well as a proven record of supervisory and leadership skills are required. Prior work experience in similar non-profit research organizations associated with VA, knowledge of financial accounting and familiarity with federal regulations are desired.

For application and/or nominations, please submit CV, letter of interest and names of 3 references to
